HOW TO CONNECT THE RIIWARDS TABLET TO A PRINTER

The Riiwards Tablet is designed to work with the receipt printer CITIZEN, model CMP-20BTU. The tablet will connect to the printer via Bluetooth and will be used by customers to print out Rewards for redemption.

Please make sure that your tablet has been configured to connect with a printer. Please contact support@riiwards.com to do so.

Please follow these steps to connect the tablet to the printer:

STEP 1

To set up the printer, place it next to the tablet. Connect the printer with the provided power supply and turn it on. The printer will show a green light.

STEP 2

Restart the tablet; then click on the Settings icon.
